3127-9
Sir,

Referring to the order of Govt. No. 3127-9/155 dated 29th July 1889, sanctioning the acquisition of land for the extension of Lalbag, I have the honor to forward, herewith, a revised statement of compensation for land taken up from one Ramigowda.

As he continued steadily complaining and refusing to receive the amount settled in his favour, it was thought advisable to have a re-valuation by Panchayetdars - Mr. Cameron was selected for this work by the amildar and although the most qualified from his

his long professional knowledge and experience to value the trees, yet his award is objected to on the ground that he is somewhat interested. The other two, namely, Rudrappa and Nanjundappa have valued them at from Rs. 25 to 30_

Under these circumstances the striking of an average at Rs 27½ is fair both to the Government and the Landholder. Some money has been added being the value of the hedge &c. and the result is the submission of the enclosed State-ment involving an increase of Rs 815. Without this increase the owner feels greatly aggrieved and cannot be persuaded to give up his right to the garden which was all planted and reared by him. The garden has been taken possession of by the Lalbag Superintendent and to effect an amicable settlement the payment of this money seems absolutely necessary and sanction to pay the same is respectfully solicited.

I have the honor to be
